Dear Community Members,

We are requesting for your support for our parking lot pavement, which has fallen into disrepair. Cracks and potholes not only create an unsafe environment but also detract from our community's overall appearance.

Your donations will directly contribute to essential repairs, ensuring a safer and more welcoming space for everyone.

Suggested contribution is **\$1000** per family. No amount is small - everyone of your participation is essential.

Thank you for considering this opportunity to help enhance our Masjid and community!
